

## Legal Counsel (Cryptocurrency)

### Contract position

**100% Remote** (European time zone preferred)

This position can be full-time or part-time, it is under review at the moment and will be discussed with the candidate.

**To apply** for this position please send your CV to [recruitment@singularitynet.io](mailto:recruitment@singularitynet.io) informing the job title on the email subject line.

SingularityNET is looking for a Lawyer to work as a senior Legal Counsel to join the team on a standalone position. The successful contractor will have an opportunity to work across the SNET Ecosystem supporting our legal needs and projects spinning-off.

### What you should know about the SingularityNET organization:

SingularityNET is the world's leading decentralized AI platform and organization. The SingularityNET decentralized network, and the associated non-profit SingularityNET Foundation, were founded in 2017 with an extraordinarily ambitious and important mission: to work toward beneficial Artificial General Intelligence (AGI) guided and controlled in a democratic and decentralized manner. Now in an exciting exponential growth phase, SingularityNET is porting its decentralized marketplace to Cardano and increasing focus on dramatic expansion of decentralized AI services, while launching a number of inspiring and ambitious spin-off projects planned as part of its Phase 2 whitepaper, including biotech, DeFi and creator economy projects.

Global and decentralized, SingularityNET works with a team of c.a. 100 talented scientists, engineers and operational experts, working either remotely or in hubs of excellence worldwide.

At SingularityNET we value collaborative and creative ways of working, within a culture of openness and transparency where every team member is empowered to make their finest contribution and thrive. We are committed to diversity and inclusion and all candidates are welcomed and encouraged to apply irrespective of race, gender, age, religious beliefs, LGBTQ+ affiliation or any other minority characteristic.

### In this role, you will:

- Advise legal issues surrounding token launches such as regulatory issues around picking up a jurisdiction, setting up the entity
- Advice on structuring the financial product - Regulated vs unregulated, utility ve security token
- Work the team in reg/corporate filing and whitepapers
- Work with the team on contract clauses review
- Draft contracts from scratch when required
- Legal advisory in general

We are looking for people who have an understanding of the fast-changing crypto landscape.

**Experience in the following areas will be beneficial:**

- Regulations around stablecoins (fiat/crypto backed or seigniorage coins)
- Understanding of DeFi and utility/security tokens
- Understanding of Exchange traded products (ETFs/ETPs)
- Any work experience with a UK/US regulator would be favorably considered.

**Benefits:**

- Flexible work schedule
- Freedom and responsibility in organizing your work hours and location
- Opportunities to advance your career in many potential directions
- Contract rate in line with your experience and location that you are based.

**The company has the right to update this job description at any time.**
